## Sponsored by Interplastic Corporation

In affiliation with the ACMA and ICPA

### Summary

Interplastic Corporation will sponsor six \$3,500 scholarships.

### Scholarship

Six Scholars will be selected annually. The funds are a one-time gift of \$3,500 each and must be used for tuition and/or required books, supplies and equipment.

### Eligibility Requirements

The scholarships are for graduating high school seniors planning to pursue a degree at an accredited four-year college or university. To be eligible, an ACMA or ICPA member company must employ the applicant's parent or legal guardian of the applicant. Interplastic Corporation employees and their dependents are not eligible for the Scholars Award.

### Selection Criteria

The selection of the Scholars is based on all facts and circumstances, with special emphasis placed on the individual's personal merit and financial need. Merit is demonstrated in a variety of ways: academic achievement; leadership in school; civic and other extracurricular activities; motivation to serve and succeed in all endeavors. Financial need is based on expected family contributions and educational expenses.

### Selection Committee

The selection committee membership will be comprised of academia, Interplastic staff, association members and staff.

An Interplastic representative will chair the committee and select committee members. All deliberations of the committee will be confidential and final recommendations will be reviewed by Interplastic Corporation.
